## Proposed Expansion of the Rapp Road Landfill in the Pine Bush

*Are you concerned about*

- **Stink of the landfill • Respiratory problems**
- **Water pollution • Public health effects**
- **Toxic fumes • Quality of life**
- **Property values • Loss of more Pine Bush**

The Village of Colonie has called for a **Public Meeting** on the proposed landfill expansion. Save the Pine Bush believes that the voices of people living near and affected by the landfill have been ignored by the City of Albany and the NYS Department of Environmental Conservation. Now is the time for people to tell our public officials how the landfill has impacted their lives and how approving the expansion will affect their health and well-being. The Village officials are providing this forum for everyone concerned about the proposed expansion.

### **Public Meeting - Wednesday, April 22 7:00 PM**

**Village of Colonie Family Recreation Center, 2 Thunder Road, Albany, NY 12205**

The official notice for this meeting is printed on the reverse of this flyer. You may sign up to speak ahead of time or come to the meeting and decide to speak that evening. Everyone who attends and wants to speak will be heard. Or, just attend and listen to what your neighbors are saying about the proposed expansion.
